Usual, Customary and Reasonable (UCR) —

A Usual fee is the amount which an individual dentist regularly charges and receives for a given service or the fee actually charged, whichever is less.

A Customary fee is within the range of usual fees charged and received for a particular service by dentists of similar training in the same geographic area.

A Reasonable fee schedule is reasonable if it is Usual and Customary. Additionally, a specific fee to a specific Enrollee is reasonable if it is justifiable considering special circumstances, or extraordinary difficulty, of the case in question.

WHO IS COVERED?

Retirees and their Dependents will become Enrollees on the first day of the month following retirement and enrollment. A surviving spouse or surviving domestic partner of a deceased active employee or retiree is also an Enrollee under this plan.

If both you and your spouse or domestic partner qualify for coverage as Primary Enrollee, neither of you may enroll as a Dependent of the other. Your children can enroll for coverage as the dependent children of only one of you.

COBRA Enrollees are eligible for coverage under this plan.

WHO ARE YOUR ELIGIBLE DEPENDENTS?

- Your legal spouse or registered domestic partner; or your surviving spouse or surviving domestic partner.

Domestic partners are defined as same sex partners who are both at least 18 years of age; and opposite sex partners when at least one partner is over the age of 62.

- Your unmarried dependent children until their 19th birthday;
- Your unmarried dependent children until their 24th birthday if enrolled full-time in an accredited school, college or university;
- An unmarried dependent child aged 19 or older who is incapable of self-support because of a physical or mental handicap that occurred before he or she turned 19, if the child is mostly dependent on you for support. Proof of this handicap must be given to Delta Dental or your employer within 31 days, if it is requested. Proof will not be required more than once a year after the child has reached age 21.

“Dependent children” also means stepchildren, children of a domestic partner, adopted children, children placed for adoption and foster children, provided that they are dependent upon you for support and maintenance.

Dependent coverage is also extended to any child who is recognized under a Qualified Medical Child Support Order (QMCSO).

No Dependent in the military service is eligible.

ENROLLING YOUR SPOUSE/DOMESTIC PARTNER

Your spouse or domestic partner must be enrolled when you enroll.

If you marry or register a domestic partner after retirement, your new spouse or domestic partner must enroll within 30 days of the date of the marriage or domestic partnership registration.

ENROLLING YOUR DEPENDENT CHILDREN

Your Dependents must be enrolled when you first become eligible or on the first day of the month after they become Dependents. However, Dependents who are covered under another group dental plan are not required to enroll under this Delta Dental plan. If the other coverage ends, the Dependents may enroll under this plan within 30 days of the loss of the other coverage. Proof of prior coverage is required.

Dependent children up to four years of age may be enrolled at the beginning of any Contract year including the Contract year immediately following their fourth birthday.

Enrollees are notified, whichever is later, of the ability to elect continuation of coverage under the employer’s subsequent dental plan, if any.

The continuation coverage will be provided only for the balance of the period that a Qualified Beneficiary would have remained covered under the Delta Dental plan had such plan with the former employer not terminated. The employer shall notify the successor plan in writing of the Qualified Beneficiaries receiving continuation coverage so they may be notified of how to continue coverage. The continuation coverage will terminate if a Qualified Beneficiary fails to comply with the requirements pertaining to enrollment in and payment of Premiums to the new group benefit plan.

OPEN ENROLLMENT CHANGE OF COVERAGE

A Qualified Beneficiary may elect to change continuation coverage during any subsequent open enrollment period, if the employer has contracted with another plan to provide coverage to its active employees. The continuation coverage under the other plan will be provided only for the balance of the period that a Qualified Beneficiary would have remained under the Delta Dental plan.

NOTICE OF PRIVACY PRACTICES: CONFIDENTIALITY OF YOUR HEALTHCARE INFORMATION

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is required by law to tell you how Delta Dental and its affiliates (“Delta Dental”) protect the confidentiality of your health care information in our possession. Protected Health Information (PHI) is defined as any individually identifiable information regarding an Enrollee’s healthcare history; mental or physical condition; or treatment. Some examples of PHI include your name, address, telephone and/or fax number, electronic mail address, social security number or other identification number, date of birth, date of treatment, treatment records, x-rays, enrollment and claims records. Delta Dental receives, uses and discloses your PHI to administer your benefit plan or as permitted or required by law. Any other disclosure of your PHI without your authorization is prohibited.

We must follow the privacy practices that are described in this notice, but also comply with any stricter requirements under federal or state law that may apply to our administration of your

Upon written notice, Delta Dental will provide a Qualified Beneficiary with the necessary Benefits information, monthly Premium charge, enrollment forms and instructions to allow election of continued coverage. Failure to provide this written notice of election to Delta Dental within 60 days will result in the loss of the right to continue coverage.

A Qualified Beneficiary has 45 days from the written election of continued coverage to pay the initial Premium to Delta Dental, which includes the Premium for each month since the loss of coverage. Failure to pay the required Premium within the 45 days will result in the loss of the right to continue coverage, and any Premiums received after that will be returned to the Qualified Beneficiary.

CONTINUED COVERAGE BENEFITS

The Benefits under the continued coverage will be the same as those provided to active employees and their Dependents who are still enrolled in the dental plan. If the employer changes the coverage for active employees, the continued coverage will change as well. Premiums will be adjusted to reflect the changes made.

TERMINATION OF CONTINUED COVERAGE

A Qualified Beneficiary's coverage will terminate at the end of the month in which any of the following events first occur:

1. The allowable number of consecutive months of continued coverage is reached;
2. Failure to pay the required Premiums in a timely manner;
3. The employer ceases to provide any group dental plan to its employees;
4. The individual first obtains coverage for dental Benefits, after the date of the election of continued coverage, under another group health plan (as an employee or Dependent) which does not contain or apply any exclusion or limitation with respect to any pre-existing condition of such a person, if that pre-existing condition is covered under this plan; or
5. Entitlement to Medicare.

Once continued coverage ends, it cannot be reinstated.

TERMINATION OF THE EMPLOYER'S DENTAL CONTRACT

If the dental contract between the employer and Delta Dental terminates prior to the time that the continuation coverage would otherwise terminate, the employer shall notify a Qualified Beneficiary either 30 days prior to the termination or when all

COVERAGE COSTS

County of Sacramento pays Delta Dental a monthly Premium for coverage of you and your enrolled Dependents. You are required to contribute a share of the monthly Premium for coverage of yourself and your enrolled Dependents. The County of Sacramento can tell you how much you must contribute for the cost of coverage.

The amount of the Premium may change at each renewal of the Contract between the County of Sacramento and Delta Dental. Premiums will not increase during the contract year unless new taxes or tax rates are imposed upon Delta Dental for this plan or unless there is an agreement between the County of Sacramento and Delta Dental to change the Premium rate.

WHEN YOU ARE NO LONGER COVERED

1. Your dental coverage will end under this Contract as specified by the Sacramento County Retirement Board.
2. When the Contract between Delta Dental and the County of Sacramento is discontinued or canceled, your coverage end immediately.

CANCELING THIS PLAN

Delta Dental may cancel this plan only on an anniversary date (period after the plan first takes effect or at the end of each renewal period thereafter), or any time if payments required by the Contract are not made to Delta Dental.

If you believe that this plan has been terminated or not renewed due to your health status or requirements for health care services (or that of your Dependents), you may request a review by the California Director of the Department of Managed Health Care.

If the Contract is terminated for any cause, Delta Dental is not required to predetermine services beyond the termination date or to pay for services provided after the termination date, except for Single Procedures begun while the Contract was in effect which are otherwise Benefits under the Contract.

If this plan is canceled, you and your Dependents have no right to renewal or reinstatement of your Benefits.

YOUR BENEFITS

Your dental plan covers several categories of Benefits, when the services are provided by a licensed dentist, and when they are necessary and customary under the generally accepted standards of dental practice.

After you have satisfied any Deductible requirements, Delta Dental will provide payment for these services at the percentage indicated up to a Maximum of \$1,500 for each Enrollee in each calendar year.

The Maximum amount paid by Delta Dental for each Enrollee each calendar year for Dental Accident Benefits is \$1,000. This Benefit is separate from the other Benefits.

An agreement between your employer and Delta Dental is required to change Benefits during the term of the Contract.

The following Benefits are limited to the applicable percentages of dentist's fees or allowances specified below. You are required to pay the balance of any such fee or allowance, known as the "Enrollee co-payment." If the dentist discounts, waives or rebates any portion of the Enrollee co-payment to the Enrollee, Delta Dental only provides as Benefits the applicable allowances reduced by the amount that such fees or allowances are discounted, waived or rebated.

Individuals who are eligible for coverage under the federal COBRA law are not eligible for coverage under Cal-COBRA. The employer must notify Delta Dental in writing within 30 days of the date when the employer becomes subject to COBRA.

Qualified Beneficiaries may continue coverage for 36 months following the month in which Qualifying Events 1, 2, 3, 4 or 5 occur.

If, during the 36-month continuation period resulting from Qualifying Event 1, the Qualified Beneficiary is determined under Title II or Title XVI of the Social Security Act to be disabled on the date of the Qualifying Event or became disabled at any time during the first 60 days of continuation coverage, and notice of the determination is given to the employer during the initial period of continuation coverage and within 60 days of the date of the social security determination letter, the Qualified Beneficiary may continue coverage for a total of 36 months following the month in which Qualifying Event 1 occurs.

This period of coverage will end on the first of the month that begins more than 30 days after the date of the final determination that the disabled individual is no longer disabled. The Qualified Beneficiary must notify the employer or administrator within 30 days of any such determination.

If, during the 36-month continuation period resulting from Qualifying Event 1, the Qualified Beneficiary experiences Qualifying Events 2, 3, 4 or 5, he or she must notify the employer within 60 days of the second Qualifying Event and has a total of 36 months continuation coverage after the date of the first Qualifying Event.

Delta Dental shall notify the Primary Enrollee of the date his or her continued coverage will terminate. This termination notification will be sent during the 180-day period prior to the end of coverage.

ELECTION OF CONTINUED COVERAGE

A Qualified Beneficiary will have 60 days from a Qualifying Event to give Delta Dental written notice of the election to continue coverage.

PERIODS OF CONTINUED COVERAGE UNDER FEDERAL COBRA

Qualified Beneficiaries may continue coverage for 18 months following the month in which Qualifying Event 1 occurs.

This 18-month period can be extended for a total of 29 months, provided:

2. Notice of the determination is given to the employer during the initial 18 months of continued coverage and within 60 days of the date of termination.

This period of coverage will end on the first day of the month that begins more than 30 days after the date of the final determination that the disabled individual is no longer disabled. You must notify your employer or Delta Dental within 30 days of any such determination.

If, during the 18-month continuation period resulting from Qualifying Event 1, your Dependents, who are Qualified Beneficiaries, experience Qualifying Events 2, 3, 4 or 5, they may choose to extend coverage for up to a total of 36 months (inclusive of the period continued under Qualifying Event 1).

When an employer has filed for bankruptcy under Title II, United States Code, Benefits may be substantially reduced or eliminated for retired employees and their Dependents, or the surviving spouse of a deceased retired employee. If this Benefit reduction or elimination occurs within one year before or one year after filing, it is considered a Qualifying Event. If the Primary Enrollee is a retiree, and has lost coverage because of this Qualifying Event, he or she may choose to continue coverage until his or her death. The Primary Enrollee's Dependents who have lost coverage because of this Qualifying Event may choose to continue coverage for up to 36 months following the Primary Enrollee's death.

III. CROWNS, INLAYS, ONLAYS AND CAST RESTORATION BENEFITS

60% — if provided by a Delta Dental PPO Dentist

55% — if provided by other dentists

Crowns, Inlays, Onlays and Cast Restorations are Benefits only if they are provided to treat cavities which cannot be restored with amalgam, silicate or direct composite (resin) restorations

IV. PROSTHODONTIC BENEFITS

60% — if provided by a Delta Dental PPO Dentist

55% — if provided by other dentists

Construction or repair of fixed bridges, partial dentures and complete dentures are Benefits if provided to replace missing, natural teeth

V. DENTAL ACCIDENT BENEFITS

100% — if provided by a Delta Dental PPO Dentist

100% — if provided by other dentists

Any services that would be covered under other Benefit categories (subject to the same limitations and exclusions) are covered instead by your dental accident coverage when they are provided for conditions caused directly by external, violent and accidental means.

LIMITATIONS

1. An oral examination is a Benefit only twice in a calendar year while you are eligible under any Delta Dental plan.
2. Full-mouth x-rays are Benefits once in a five-year period while you are eligible under any Delta Dental plan.
3. Bitewing x-rays are provided on request by the dentist, but no more than twice in a calendar year for children to age 18 or once in a calendar year for adults age 18 and over, while you are eligible under any Delta Dental plan.
4. Only the first two cleanings, fluoride treatments, or Single Procedures which include cleaning, or combination thereof, in a calendar year are Benefits while you are eligible under any Delta Dental plan.
5. Sealant Benefits include the application of sealants only to permanent first molars through age eight and second molars through age 15 if they are without caries (decay) or restorations on the occlusal surface. Sealant Benefits do not include the repair or replacement of a sealant on any tooth within two years of its application.

6. Crowns, Inlays, Onlays and Cast Restorations are Benefits on the same tooth only once every five years, while you are eligible under any Delta Dental plan, unless Delta Dental determines that replacement is required because the restoration is unsatisfactory as a result of poor quality of care, or because the tooth involved has experience extensive loss or changes to tooth structure or supporting tissues since the replacement of the restoration.

7. Prosthodontic appliances are Benefits only once every five years, while you are eligible under any Delta Dental plan, unless Delta Dental determines that there has been such an extensive loss of remaining teeth or a change in supporting tissues that the existing appliance cannot be made satisfactory. Replacement of a prosthodontic appliance not provided under a Delta Dental plan will be made if it is unsatisfactory and cannot be made satisfactory.

8. Delta Dental will pay the applicable percentage of the dentist's fee for a standard partial or complete denture. A standard partial or complete denture is one made from accepted materials and by conventional methods.

9. Implants (appliances inserted into bone or soft tissue in the jaw, usually to anchor a denture) are not covered by your plan. However, if implants are provided along with a covered prosthodontic appliance, Delta Dental will allow the cost of a standard partial or complete denture toward the cost of the implants and the prosthodontic appliances when the prosthetic appliance is completed. If Delta Dental makes such an allowance, we will not pay for any replacement for five years following the completion of the service.

10. If you select a more expensive plan of treatment than is customarily provided, or specialized techniques, an allowance will be made for the least expensive, professionally acceptable, alternative treatment plan. Delta Dental will pay the applicable percentage of the lesser fee for the customary or standard treatment and you are responsible for the remainder of the dentist's fee.

For example: a crown where an amalgam filling would restore the tooth; or a precision denture where a standard denture would suffice.

11. Delta Dental will pay Dental Accident Benefits when services are provided within 180 days following the date of accident and shall not include any services for conditions caused by an accident occurring before your eligibility date.

OPTIONAL CONTINUATION OF COVERAGE (COBRA)

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in a higher premium or you could be denied coverage entirely.

The federal Consolidated Omnibus Budget Reconciliation Act (or COBRA, pertaining to certain employers having 20 or more employees) and the California Continuation Benefits Replacement Act (or Cal-COBRA, pertaining to employers with two to 19 employees), both require that continued health care coverage be made available to "Qualified Beneficiaries" who lose health care coverage under the group plan as a result of a "Qualifying Event." You may be entitled to continue coverage under this plan, at your expense, if certain conditions are met. The period of continued coverage depends on the Qualifying Event and whether you are covered under federal COBRA or Cal-COBRA.

DEFINITIONS

The meaning of key terms used in this section are shown below and apply to both federal and Cal-COBRA.

Qualified Beneficiary means:

You and/or your Dependents who are enrolled in the Delta Dental plan on the day before the Qualifying Event.

Qualifying Event means any of the following events which, except for the election of this continued coverage, would result in a loss of coverage under the dental plan:

Event 1. The termination of employment (other than termination for gross misconduct) or the reduction in work hours, by your employer;

Event 2. Your death;

Event 3. Your divorce or legal separation from your spouse;

Event 4. Your Dependents' loss of dependent status under the plan; and

Event 5. As to your Dependents only, your entitlement to Medicare.

You means the Primary Enrollee.

IF YOU HAVE ADDITIONAL COVERAGE

It is to your advantage to let your dentist and Delta Dental know if you have dental coverage in addition to this Delta Dental plan. Most dental carriers cooperate with one another to avoid duplicate payments, but still allow you to make use of both plans - sometimes paying 100% of your dental bill. For example, you might have some fillings that cost \$100. If the primary carrier usually pays 80% for these services, it would pay \$80. The secondary carrier might usually pay 50% for this service. In this case, since payment is not to exceed the entire fee charged, the secondary carrier pays the remaining \$20 only. Since this method pays 100% of the bill, you have no out-of-pocket expense.

Be sure to advise your dentist of all plans under which you have dental coverage and have him or her complete the dual coverage portion of the claim form, so that you will receive all benefits to which you are entitled. For further information, contact the Delta Dental Customer Service department at the number in the USING THIS BOOKLET section.

PLAN ADMINISTRATOR

The Plan Administrator (County of Sacramento) is a named fiduciary under this plan and shall be responsible for the management and control of this plan.

Delta Dental will be responsible for making determinations for Benefits in this booklet and for authorizing payment.

FUNDING POLICY AND PAYMENT OF PREMIUMS

The funding policy and method require the payment of monthly Premiums by the County of Sacramento to Delta Dental of California as specified in the group dental agreement. If you choose OPTIONAL CONTINUATION OF COVERAGE (COBRA), you may be charged by the employer, as provided for by law.

COVERED FEES

It is to your advantage to select a dentist who is a Delta Dental Dentist, since a lower percentage of the dentist's fees may be covered by this plan if you select a dentist who is not a Delta Dental Dentist.

A list of Delta Dental Dentists (see DEFINITIONS) is available in a directory at your group benefits office, or by calling 800-765-6003.

Payment to a Delta Dental PPO Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, the dentist's accepted Usual, Customary and Reasonable Fee that the dentist has on file with Delta Dental, or a fee which the dentist has contractually agreed upon with Delta Dental to accept for treating Enrollees under this plan.

Payment to a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the accepted fee that the dentist has on file with Delta Dental.

Payment for services by a California dentist, or an out-of-state dentist, who is not a Delta Dental Dentist will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental Dentists.

Payment for services by a dentist located outside the United States will be based on the applicable percentage of the lesser of the Fee Actually Charged, or the fee that satisfies the majority of Delta Dental dentists.

procedure for 30 calendar days. You may file a complaint with the Department immediately in an emergency situation, which is one involving severe pain and/or imminent and serious threat to the Enrollee's health.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against Delta Dental, your health plan, you should first telephone Delta Dental at **800-765-6003** and use Delta Dental's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 calendar days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **888-HMO-2219** and a TDD line **877-688-9891** for the hearing and speech impaired. The department's Internet Web site (<http://www.hmohelp.ca.gov>) has complaint forms, IMR application forms and instructions online.

IMR has limited application to your dental plan. You may request IMR only if your dental claim concerns a life-threatening or seriously debilitating condition(s) and is denied or modified because it was deemed an experimental procedure.

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the Enrollee may contact the U.S. Department of Labor, Employee Benefits Security Administration (EBSA) for further review of the claim or if the Enrollee has questions about the rights under ERISA. The Enrollee may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is: U.S. Department of Labor, Employee Benefits Security Administration (EBSA), 200 Constitution Avenue, N.W. Washington, D.C. 20210.

claims, the policies, procedures and operations of Delta Dental, or the quality of dental services performed by a Delta Dental Dentist, you may call us toll-free at 800-765-6003, contact us on our web site at: www.deltadentalca.org or write us at P. O. Box 997330, Sacramento, CA 95899-7330, Attention: Customer Service Department.

If your claim has been denied or modified, you may file a request for review (a grievance) with us within 180 days after receipt of the denial or modification. If in writing, the correspondence must include your group name and number, the Primary Enrollee's name and ID number, the inquirer's telephone number and any additional information that would support the claim for benefits. Your correspondence should also include a copy of the treatment form, Notice of Payment and any other relevant information. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the claim, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in denying or modifying the claim.

Our review will take into account all information, regardless of whether such information was submitted or considered initially. Certain cases may be referred to one of our regional consultants, to a review committee of the dental society or to the state dental association for evaluation. Our review shall be conducted by a person who is neither the individual who made the original claim denial, nor the subordinate of such individual, and we will not give deference to the initial decision. If the review of a claim denial is based in whole or in part on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the contract terms, we shall consult with a dentist who has appropriate training and experience. The identity of such dental consultant is available upon request.

We will provide the Enrollee a written acknowledgement within five calendar days of receipt of the request for review. We will make a written decision within 30 calendar days of receipt of the request for review or inform the Enrollee of the pending status if more information or time is needed to resolve the matter. We will respond, within three calendar days of receipt, to complaints involving severe pain and imminent and serious threat to an Enrollee's health.

You may file a complaint with the Department of Managed Health Care after you have completed Delta Dental's grievance procedure or after you have been involved in Delta Dental's grievance

CHOICE OF DENTISTS AND PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Nearly 23,400 dentists in active practice in California are Delta Dental Dentists. About 12,300 of these Delta Dental Dentists are also DeltaPreferred OptionDelta Dental PPO Dentists. You are free to choose any dentist for treatment, but it is to your advantage to choose a Delta Dental Dentist. This is because his or her fees are approved in advance by Delta Dental. Delta Dental Dentists have treatment forms on hand and will complete and submit the forms to Delta Dental free of charge.

If you choose a Delta Dental PPO Dentist, you will receive all of the advantages of going to a Delta Dental Dentist, and you may have a higher level of Benefits for certain services.

If you go to a non-Delta Dental Dentist, Delta Dental cannot assure you what percentage of the charged fee may be covered. Claims for services from non-Delta Dental Dentists may be submitted to Delta Dental at P.O. Box 997330, Sacramento, CA 95899-7330.

Dentists located outside the United States are not Delta Dental Dentists. Claims submitted by out-of-country dentists are translated by Delta Dental staff and the currency is converted to U.S. dollars. Claims submitted by out-of-country dentists for Enrollees residing in California are referred to Delta Dental's Quality Review department for processing. Delta Dental may require a clinical examination to determine the quality of the services provided, and Delta Dental may decline to reimburse you for Benefits if the services are found to be unsatisfactory.

A list of Delta Dental PPO Dentists and Delta Dental Dentists can be obtained by calling 800-765-6003. This list will identify those dentists who can provide care for individuals who have mobility impairments or have special health care needs. You can obtain specific information about Delta Dental PPO Dentists and Delta Dental Dentists by using our web site - www.deltadentalca.org or calling the Delta Dental Customer Service department at the number listed on page 1. A printed list of the Delta Dental PPO Dentists and Delta Dental Dentists in your area is also available by calling 800-765-6003.

Services from dental school clinics may be provided by students of dentistry or instructors who are not licensed by the state of California.

Delta Dental shares the public and professional concern about the possible spread of HIV and other infectious diseases in the dental office. However, Delta Dental cannot ensure your dentist's use of precautions against the spread of such diseases, or compel your dentist to be tested for HIV or to disclose test results to Delta Dental, or to you. Delta Dental informs its panel dentists about the need for clinical precautions as recommended by recognized health authorities on this issue. If you should have questions about your dentist's health status or use of recommended clinical precautions, you should discuss them with your dentist.

CONTINUITY OF CARE

Current Enrollees:

Current Enrollees may have the right to the benefit of completion of care with their terminated Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of the Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your terminated Delta Dental Dentist. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your terminated Delta Dental Dentist on the terms regarding your care in accordance with California law.

New Enrollees:

A new Enrollee may have the right to the qualified benefit of completion of care with their non-Delta Dental Dentist for certain specified dental conditions. Please call Delta Dental's Quality Assessment Department at 415-972-8300 to see if you may be eligible for this benefit. You may request a copy of the Delta Dental's Continuity of Care Policy. You must make a specific request to continue under the care of your current provider. We are not required to continue your care with that dentist if you are not eligible under our policy or if we cannot reach agreement with your non-Delta Dental Dentist on the terms regarding your care in accordance with California law. This policy does not apply to new Enrollees of an individual subscriber contract.

PUBLIC POLICY PARTICIPATION BY ENROLLEES

Delta Dental's Board of Directors includes Enrollees who participate in establishing Delta Dental's public policy regarding Enrollees through periodic review of Delta Dental's Quality Assessment program reports and communications from Enrollees. Enrollees may submit any suggestions regarding Delta Dental's

SECOND OPINIONS

Delta Dental obtains second opinions through Regional Consultant members of its Quality Review Committee who conduct clinical examinations, prepare objective reports of dental conditions, and evaluate treatment that is proposed or has been provided.

Delta Dental will authorize such an examination prior to treatment when necessary to make a Benefits determination in response to a request for a Predetermination of treatment cost by a dentist. Delta Dental will also authorize a second opinion after treatment if an Enrollee has a complaint regarding the quality of care provided.

Delta Dental will notify the Enrollee and the treating dentist when a second opinion is necessary and appropriate, and direct the Enrollee to the Regional Consultant selected by Delta Dental to perform the clinical examination. When Delta Dental authorizes a second opinion through a Regional Consultant, we will pay for all charges.

Enrollees may otherwise obtain second opinions about treatment from any dentist they choose, and claims for the examination may be submitted to Delta Dental for payment. Delta Dental will pay such claims in accordance with the Benefits of the plan.

This is only a summary of Delta Dental's policy on second opinions. A copy of Delta Dental's formal policy is available from Delta Dental's Customer Service department upon request.

ORGAN AND TISSUE DONATION

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak to your physician. Organ donation begins at the hospital when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

GRIEVANCE PROCEDURE AND CLAIMS APPEAL

If you have any questions about the services received from a Delta Dental Dentist, we recommend that you first discuss the matter with your Dentist. If you continue to have concerns, you may call or write us. We will provide notifications if any dental services or claims are denied, in whole or part, stating the specific reason or reasons for denial. Any questions of ineligibility should first be handled directly between you and your group. If you have any question or complaint regarding the denial of dental services or

Payment for any Single Procedure that is a Covered Service will only be made upon completion of that procedure. Delta Dental does not make or prorate payments for treatment in progress or incomplete procedures. The date the procedure is completed governs the calculation of any Deductible (and determines when a charge is made against any Maximum) under your plan.

If there is a difference between what your dentist is charging you and what Delta Dental says your portion should be, or if you are not satisfied with the dental work you have received, contact Delta Dental's Customer Service department. We may be able to help you resolve the situation.

Delta Dental may deny payment of a claim for services submitted more than 12 months after the date the services were provided. If a claim is denied due to a Delta Dental Dentist's failure to make a timely submission, you shall not be liable to that dentist for the amount which would have been payable by Delta Dental (unless you failed to advise the dentist of your eligibility at the time of treatment).

The process Delta Dental uses to determine or deny payment for services is distributed to all Delta Dental Dentists. It describes in detail the dental procedures covered as Benefits, the conditions under which coverage is provided, and the limitations and exclusions applicable to the plan. Claims are reviewed for eligibility and are paid according to these processing policies.

Those claims which require additional review are evaluated by Delta Dental's dentist consultants. If any claims are not covered, or if limitations or exclusions apply to services you have received from a Delta Dental Dentist, you will be notified by an adjustment notice on the Notice of Payment or Action. You may contact Delta Dental's Customer Service department for more information regarding Delta Dental's processing policies.

IF YOU HAVE QUESTIONS ABOUT SERVICES FROM A DELTA DENTAL DENTIST

If you have questions about the services you receive from a Delta Dental Dentist, we recommend that you first discuss the matter with your dentist. If you continue to have concerns, call our Quality Review department at 800-765-6003. If appropriate, Delta Dental can arrange for you to be examined by one of our consulting dentists in your area. If the consultant recommends the work be replaced or corrected, Delta Dental will intervene with the original dentist to either have the services replaced or corrected at no additional cost to you or obtain a refund. In the latter case, you are free to choose another dentist to receive your full Benefit.

public policy in writing to: Delta Dental of California, Customer Service Department, P. O. Box 997330, Sacramento, CA 95899-7330.

INTERNATIONAL DENTIST REFERRAL SERVICE

You can receive your covered dental care when you are outside of the United States through a partnership between Delta Dental and International SOS Assistance, Inc. I-SOS provides referrals to 3,200 dentist or dental clinics in nearly 200 countries worldwide. English-speaking operators are available around the clock to help you find a dentist. For more information, check our web site at www.deltadentalca.org or call 800-523-6586 from the US. Once you leave the US, you can call I-SOS at 215-942-8226-collect.

When you see an I-SOS dentist, you must pay for your treatment at the time of service and get a detailed receipt from the dentist. In addition to providing the dentist's name and address (including country), this receipt should describe the services performed by the dentist and indicate the tooth or teeth that were treated. It should also indicate whether the dentist's charges were billed in U.S. dollars or another currency.

Once we receive your claim, we will reimburse you subject to the terms and conditions of your Delta Dental coverage. Reimbursement is based on the out-of-network benefit provided through your group plan. As with any dental plan, this reimbursement may not cover the entire cost of the treatment rendered.

SAVING MONEY ON YOUR DENTAL BILLS

You can keep your dental expenses down by practicing the following:

1. Compare the fees of different dentists;
2. Use a Delta Dental Dentist;
3. Have your dentist obtain predetermination from Delta Dental for any treatment over \$300;
4. Visit your dentist regularly for checkups;
5. Follow your dentist's advice about regular brushing and flossing;
6. Avoid putting off treatment until you have a major problem; and
7. Learn the facts about overbilling. Under this plan, you must pay the dentist your co-payment share (see YOUR BENEFITS). You may hear of some dentists who offer to accept insurance payments as "full payment." You should know that these dentists may do so by overcharging your plan and may do more work than you need, thereby increasing plan costs. You can help keep your dental Benefits intact by avoiding such schemes.

YOUR FIRST APPOINTMENT

During your first appointment, be sure to give your dentist the following information:

1. Your Delta Dental group number (on the front of this booklet);
2. The County of Sacramento's name;
3. Primary Enrollee's ID number (which must also be used by your Dependents);
4. Primary Enrollee's date of birth;
5. Any other dental coverage you may have.

ACCESSIBILITY AND SERVICES FOR AFTER-HOURS AND URGENT CARE

If you or a family member has special needs, you should ask your dentist about accessibility to their office or clinic at the time you call for an appointment. Your dentist will be able to tell you if their office is accessible taking into consideration the specific requirements of your needs.

Routine or urgent care may be obtained from any licensed dentist during their normal office hours. Delta Dental does not require prior authorization before seeking treatment for urgent or after-hours care. You may plan in advance, for treatment for urgent, emergency or after-hours care by asking your dentist how you can contact the dentist in the event you or a family member may need urgent care treatment or treatment after normal business hours. Many dentists have made prior arrangements with other dentists to provide care to you if treatment is immediately or urgently needed. You may also call the local dental society that is listed in your local telephone directory if your dentist is not available to refer you to another dentist for urgent, emergency or after-hours care.

PREDETERMINATIONS

After an examination, your dentist will talk to you about treatment you may need. The cost of treatment is something you may want to consider. If the service is extensive and involves crowns or bridges, or if the service will cost more than \$300, we encourage you to ask your dentist to request a predetermination.

A predetermination does not guarantee payment. It is an estimate of the amount Delta Dental will pay if you are eligible and meet all the requirements of your plan at the time the treatment you have planned is completed.

In order to receive predetermination, your dentist must send a claim form listing the proposed treatment. Delta Dental will send your dentist a Notice of Predetermination which estimates how much you will have to pay. After you review the estimate with your dentist and decide to go ahead with the treatment plan, your dentist returns the form to us for payment when treatment has been completed.

Computations are estimates only and are based on what would be payable on the date the Notice of Predetermination is issued if the Enrollee is eligible. Payment will depend on the Enrollee's eligibility and the remaining annual Maximum when completed services are submitted to Delta Dental.

Predetermining treatment helps prevent any misunderstanding about your financial responsibilities. If you have any concerns about the predetermination, let us know before treatment begins so your questions can be answered before you incur any charges.

REIMBURSEMENT PROVISIONS

A Delta Dental Dentist will file the claim for you. You do not have to file a claim or pay Delta Dental's co-payment for covered services if provided by a Delta Dental Dentist. Delta Dental of California's agreement with our Delta Dental Dentists makes sure that you will not be responsible to the dentist for any money we owe.

If the covered service is provided by a dentist who is not a Delta Dental Dentist, you are responsible for filing the claims and paying your dentist. Claims should be filed with Delta Dental of California at P. O. Box 997330, Sacramento, CA 95899-7330 and Delta Dental will reimburse you. However, if for any reason we fail to pay a dentist who is not a Delta Dental Dentist, you may be liable for that portion of the cost. Payments made to you are not assignable (in other words, we will not grant requests to pay non-Delta Dental Dentists directly).

Payment for claims exceeding \$500 for services provided by dentists located outside the United States may, at Delta Dental's option, be conditioned upon a clinical evaluation at Delta Dental's request (see Second Opinions). Delta Dental will not pay Benefits for such services if they are found to be unsatisfactory.

Delta Dental does not pay Delta Dental Dentists any incentive as an inducement to deny, reduce, limit or delay any appropriate service. If you wish to know more about the method of reimbursement to Delta Dental Dentists, you may call Delta Dental's Customer Service department for more information.
